I, the undersigned, my heirs, executors, administrators, and assignees, hereby fully release and discharge the Cherokee Cowboys and Cherokee Gun Club, their successors and assignees from all rights, claims and actions which the above mentioned Releasor and his/her above mentioned heirs, executors, administrators and assignees may have by virtue of any action or damage incurred by virtue of participating in a cowboy action shoot to be held at the Cherokee Gun Club. This release is intended by the parties to release all claims for injury, damages, or losses to Releasor or his/her person and property, real and personal, whether known or unknown, unforeseen patent or patent which Releasor may have against Releasee. Releasor understands and acknowledges the significance and consequences of such specific intention to release all claims, and hereby assumes full responsibilities for any injuries, damages or losses he may incur in the participation in the above event.

I further understand that (commercial) still, video and/or motion picture photography will occur during the course of the event and that, so long as I am in the general event's activities, I may be included in said photography. Should I wish not to be included in any photography that may occur, I understand it is my individual responsibility to remain aware of photographic activity and to remove myself from the area or event being photographed. This release is freely and voluntarily executed by the Releasor after having been apprised of all relevant information concerning each shoot, recognizing that the sport of discharging firearms is a hazardous sport, and the Releasor assumes that risk. I also understand that membership in the Cherokee Cowboys does not entitle me to membership or privileges at the Cherokee Gun Club.
