

COSTS

Thanks for the opportunity to help. Here are the costs for Cherokee Gun Club youth shooting program which we feel you'll find more than reasonable.....

YOUTH SHOOTING COSTS

ÉCost is \$3 per youth shooter for all day, plus the cost of any clay shotgun targets given below.

ÉThis price assumes the shooter is using personal supplies and consuming paper targets.

CLUB COSTS

ÉCGC requires that clay targets used in youth shotgun shooting be paid for at the rate of \$4 per 25.

This is about 1/4 of what a public range would charge. It's an outstanding bargain considering the quality of the fields and the cost of the automatic equipment.

ÉIf shotgun is not attempted, then there is no charge.

IMPORTANT STUFF

ÉBring exact change or a check book with you. We do not have an ATM or a cashier. If you are bringing checks, then bring 2; one for the Club and one for the Youth Shooting Program.

ÉPayment in full is expected on event day.

ÉWe will not charge if, by prior arrangement, it has been agreed that the group in question would not otherwise be able to afford shooting sports.

You can see that CGC makes shooting easy and affordable. Our first class shooting facility will insure that your outing is both fun and safe. CGC is a private, non-profit club and our prices reflect the cost of materials. Your \$3 donation makes it possible for us to bring Youth Shooting to disadvantaged youth groups.

Regards
